Dear Fellow Business Owner:

We would like to take this opportunity to invite you to join the Wind Lake Chamber of Commerce and start enjoying the many benefits we offer. Not only will you benefit by getting to know other business leaders in the area, but over 75% of all money collected from dues and fundraising goes back to promote our members and their businesses.

In addition to numerous bulk mailing opportunities throughout the year, there are lots of other ways the Chamber can help you advertise your business. Your name, address and telephone number can be listed on the Chamber website ([www.windlake-wi.org](http://www.windlake-wi.org)). Don't forget about networking with other business leaders in the community. By attending monthly meetings you get to know these folks. They are sometimes the best people around to promote your business (through word of mouth and more). These are just a few ways that membership in the Wind Lake Chamber of Commerce can help to grow your business.

We look forward to hearing from you soon. If you have further questions, please call or e-mail me. I will answer your questions right away. Application must be filled out and dues paid in full before participating in any Chamber functions.

Sincerely,

Kathy Kohl-Vice President
